EDUCATION

PHD IN SOCIAL POLICY AND ADMINISTRATION, 2013

COLUMBIA UNIVERSITY SCHOOL OF SOCIAL WORK

- Dissertation: *'Every Day is Difficult for My Body and My Heart.'* Forced Evictions in Phnom Penh, Cambodia: Women's Narratives of Risk and Resilience. Research funded by a Fellowship from the Center for Khmer Studies and Council on Overseas American Research Centers. <http://academiccommons.columbia.edu/catalog/ac:166594>

MA IN APPLIED INTERNATIONAL DEVELOPMENT, 2000

TULANE UNIVERSITY INSTITUTE FOR INTERNATIONAL DEVELOPMENT

- Concentration in Complex Emergencies and Humanitarian Relief.
- Graduated with highest honors.

BA IN POLITICAL SCIENCE, 1996

OHO UNIVERSITY HONORS TUTORIAL COLLEGE

- Concentration in Comparative Politics (Southeast Asia); Minor in History, Certificates in Asian Studies and Women's Studies.
- Study abroad at Khon Kaen University, Thailand with funding from National Security Education Program scholarship.
- 2005 Honors Tutorial College Distinguished Alumnus Award.
- 1996 Political Science Department Most Outstanding Graduating Senior Award.

EXPERIENCE

2019 – PRESENT

SENIOR RESILIENCE SPECIALIST, INSTITUTE FOR SOCIAL AND ENVIRONMENTAL TRANSITIONS (ISET)

Senior staff member for applied research NGO. Projects include:

- Climate Justice Resilience Fund, 2020. Team leader on a qualitative evaluation of CJRF's global portfolio (spanning Bay of Bengal, East Africa, and the Arctic).
- GIZ, 2020. Review of gender integration within climate change adaptation and disaster risk management planning tools used by local governments in the Philippines.
- Climate Change Compass, 2019 – 2020. Third phase of a long-term endeavor managed by IMC Worldwide to support UK International Climate Finance's design, monitoring, evaluation,

and learning (DMEL). Activities include guidance to UK-funded programs on selecting indicators for climate change resilience, and dissemination/roll-out of new technical guidance on global resilience headline indicators.

- Niras, 2019 – present. Core Team Member on indefinite quantity contract to provide technical assistance and training to enhance Results-Based Management for the Swedish International Development Agency (SIDA) partners worldwide. Projects to date: facilitate a Theory of Change process for EngageMedia (regional NGO headquartered in Thailand), M&E training for the Alliance for Financial Inclusion (international NGO headquartered in Malaysia), and training/technical assistance on M&E for the Center for Health Human Rights and Development (national NGO in Uganda).
- UNDP, 2019. Conducted a final program evaluation for a program to remove landmines in Cambodia.
- GIZ, 2019. Capacity building and policy development for Environment Protection Fund of Lao around gender, indigenous peoples, and environment/social safeguards.
- UNCDF-LoCAL. 2019. Lead facilitator for M&E sessions in a training for its programs across Asia and Africa.
- Wetlands Work!, 2019 – present. Proposal development and technical assistance for innovative social enterprise which pioneers community-based sanitation solutions for populations living in and around wetland ecosystems.
- Zurich Flood Resilience Alliance, 2018 (as independent consultant). Led process to craft a global theory of change for consortium of NGOs engaged in flood management.
- World Bank Philippines, 2016-2018 (as independent consultant). Senior member on team crafting an M&E framework for climate resilience in the Philippines.
- <https://www.i-s-e-t.org/resource-how-to-measure-resilience>

FULL-TIME 2013-2019; INTERMITTENTLY PRIOR TO THAT

INDEPENDENT CONSULTANT, INTERNATIONAL DEVELOPMENT AGENCIES

- World Resources Institute (WRI), 2015 - 2019. Technical assistance and applied research to support the development of a more robust monitoring & evaluation framework for the UN Capital Development Fund's LoCAL program, which extends funding to local governments in developing countries to implement climate change initiatives.
- IMC Worldwide, 2015 - 2019. Adaptation Cluster Lead on an endeavor to review and strengthen the UK International Climate Fund's Monitoring, Evaluation, and Learning Department. Responsibilities focus on developing and field-testing key performance indicators for use across the global portfolio. Served on program's Gender/Social Inclusion Advisory Committee.
- Baastel. 2019, 2017, 2015. In 2019, researcher on a global portfolio evaluation of the Green Climate Fund. In 2017, developed strategic plan and proposal for submission to government of Canada regarding disaster risk reduction and climate change adaptation for local governments in the Philippines. In 2015, co-authored an applied research paper documenting good practice, lessons learned, and next steps in developing a monitoring and evaluation system for Cambodia's Pilot Program on Climate Resilience.
- Sustainable Seas, 2018. Gender / Social Inclusion specialist in support of feasibility studies on potential climate change adaptation projects in coastal communities in the Caribbean.

- Plan International, 2015 - 2018. Technical advisor to a Plan International program extending grants and capacity building to local NGOs and CSOs in Cambodia engaged in community-based disaster risk reduction and climate change adaptation projects.
- Tango International, 2017 – 2018. Senior member of a team conducting a portfolio-level evaluation of the Adaptation Fund’s global performance. My work included case studies on Cambodia and Maldives, as well supporting the team on gender, population vulnerability, institutional strengthening, and other social sector topics.
- World Bank, 2017 – 2018. Senior researcher on team reviewing state-funded climate change adaptation investments in Vietnam.
- Columbia Group for Children in Adversity, 2017. Baseline assessment and analysis of vulnerability factors for children at risk of being trafficked in Cambodia.
- Niras, 2016 – 2017. Served as Gender / Social Safeguards Advisor to an agriculture program in Cambodia.
- United Nations Capital Development Fund (UNCDF), 2015 - 2016. Supported the preparation of a \$14 million proposal to the Green Climate Fund to finance direct grants to local governments in Cambodia.
- International Institute for Environment and Development (IIED), 2015 - 2016. Technical assistance and guidance to two Cambodian government ministries (Health and Agriculture, Forestry, & Fisheries) to mainstream climate change adaptation within their monitoring and evaluation systems and bring them into alignment with the national framework. Specific tasks include identifying appropriate indicators and application of the Tracking Adaptation and Monitoring Development (TAMD) methodology.
- American Evaluation Association, 2014 - 2015. Guest editor for a special issue on evaluating climate change adaptation programs and policies for the peer-reviewed academic journal *New Directions for Evaluation*.
- Indevalop, 2015. Appointed to join an evaluation team conducting a mid-term review of a \$30 million regional ADB environmental conservation program, and in particular to assess the cross-cutting themes of climate change, gender, and poverty reduction.
- Winrock, 2015. Consultancy to support new business development and strategic planning processes for the agency’s programs in Cambodia, particularly concerning agriculture, food security, and climate change.
- Global Environment Facility Independent Evaluation Office, 2014 - 2015. Co-authored research paper on identification of program performance indicators for climate change adaptation.
- ICF International, 2014. Asia Specialist for an evaluation of a \$17 million USAID-funded program to promote climate change adaptation in twenty-seven countries across Asia and the Pacific.
- Danish Institute for International Studies, 2014. Cambodia case study research in support of the project *‘Climate change, human security, and rights-based approaches in the South.’*
- World Vision, 2010 - 2014 (intermittently). Evaluation consultant for a range of programs, including several urban slum areas of Phnom Penh and a four-country regional initiative addressing sexual exploitation of children in the travel/tourism industry. Methods included surveys, interviews, and focus group discussions.
- SEA Change / Pact, 2013 – 2014. Applied research consultancy preparing knowledge materials and guidelines to support monitoring and evaluation of climate change adaptation programs across Asia/Pacific.

- World Health Organization, 2010 - 2011. Technical advisor for a respondent-driven survey of malaria health risks and behavior among migrant farm workers in western Cambodia.
- Cambodian League for the Defense and Promotion of Human Rights (LICADHO), 2006. Assessment of humanitarian conditions in a relocation camp for evicted slum residents.
- Save the Children USA, 2006. Multi-sectoral needs assessment and strategic plan concerning earthquake rehabilitation in northwest Pakistan. Assessment included 900-household survey and numerous focus group discussions. Final proposal was a comprehensive inter-agency four-year rehabilitation program.
- International Community Foundation, 2005. Field monitoring visit to ICF grantees in Indonesia, as well as review of NGO networks in India and Mexico.
- International Rescue Committee, 2001. Assessment of sexual abuse affecting Afghan refugee children in Peshawar, Pakistan.

2006-2010

DOCTORAL CANDIDATE TEACHING AND RESEARCH, COLUMBIA UNIVERSITY

- Lecturer, International Social Work.
- Teaching Assistant for Human Behavior and Social Environment, Social Policy, Program Planning and Development, and Statistics.
- Graduate Research Assistant concerning hospital emergency management systems and disaster mental health service preparedness for medical social workers in New York City.
- Research practicum evaluating a livelihoods program for orphaned adolescents in Uganda.
- Systematic review of empirical studies concerning gerontology interventions.

1989-2010 (PRIMARILY AS A VOLUNTEER)

AMNESTY INTERNATIONAL USA

- Country Specialist Program Steering Committee, 2008 – 2010 (elected).
- Country Specialist for Pakistan and Afghanistan, 2007 – 2010; Leadership Award in 2008.
- Acting Asia Advocacy Director, 2000-2001.
- Chair, Southeast Asia Coordination Group, 1998-2001.
- Patrick Stewart Human Rights Fellow, 1998. (Funded graduate internship in Cambodia.)
- Country Specialist for Cambodia and Thailand, 1996 – 2001.
- Intern, Government Relations Department, 1994.
- Local and student group member, 1989 – 2010 (intermittently).

2004-2005

EMERGENCIES RESPONSE COORDINATOR, OXFAM AUSTRALIA

- Emergency response operations in Sri Lanka immediately following 2004 tsunami.
- Technical advisor on conflict transformation.
- Design disaster management trainings.
- Review national emergency preparedness plans.
- Backstop agency's response to 2005 Sahel Food Crisis.

2001 - 2004

FIELD MANAGER, RELIEF/DEVELOPMENT PROGRAMS

- Oxfam, 2003-2004. Quick-impact projects spanning multiple sectors to support post-conflict reconstruction and women's empowerment in Kailahun, Sierra Leone.
- Mercy Corps, 2002-2003. Drought relief and integrated rural development program in Helmand Province, Afghanistan.
- International Medical Corps, 2002. Reproductive health program (including gender-based violence) for IDPs in Madura, Indonesia.
- Agence d'Aide à la Coopération Technique et au Développement (ACTED), 2001-2002. Health promotion and community mobilization components of a rural water/sanitation program in Peshkopi, Albania.

1999 - 2001

PROGRAM COORDINATOR, TULANE INSTITUTE FOR INTERNATIONAL DEVELOPMENT

- Policy research on conflict and humanitarian programming in Sub-Saharan Africa.
- Design and delivery of trainings for USAID on conflict vulnerability analysis.
- Coordinated international symposium on HIV/AIDS interventions in post-conflict African contexts.

1998 - 1999

PROGRAM ASSISTANT, INTERNATIONAL CITY/COUNTY MANAGEMENT ASSOCIATION

- Support for projects and trainings related to public administration and local government capacity building in developing and transition countries.
